June 14, 2007

Dear Friends,

It is my pleasure to extend warm greetings to the Alliance for Lupus Research and everyone gathered for its *2007 One Love, One Cause* Gala Celebration.

Since its inception in 1999, the Alliance for Lupus Research has become the largest non-governmental leader in funding for lupus research – by 2008, the ALR will have committed over \$50 million, funding some of the world's best researchers and holding them to the highest standards.

I would like to extend heartfelt congratulations to tonight's honorees: Sir Howard Stringer and the Tammy and Ken Fisher Family. Your dedication is an inspiration to us all.

Best wishes for an enjoyable and memorable evening. It is only through the concern and commitment of individuals such as yourselves that we may hope to build a new and brighter future for all residents of New Jersey.

Sincerely,

A handwritten signature in black ink, appearing to read "Jon S. Corzine".
