 Text

**This is an electronic notification regarding the following project:**

**Applicant: Carroll, Michael**  
**Grant Maker: Alliance for Lupus Research**  
**Program: Target Identification in Lupus Grant (with LOI)**  
**Project Title: Investigating the Mechanisms of Lupus-associated CNS Dysfunction**  
**Institution: Children's Hospital Boston**

**Proposal Number (pC ID): 332527**  
**Award Number: 332527**

Dear Dr. Carroll,

On behalf of the Lupus Research Alliance (LRA, formerly Alliance for Lupus Research), I am pleased to share that the fourth payment for the second year of the above referenced research project has been sent. The details of this electronic bank payment are included below.

Also, please note the following grant payment and deliverable schedule:

**March 25, 2016: Award year 2, payment 1**  
**May 2, 2016: Interim Progress Report due to the ALR**  
**May 2, 2016: Report of Expenditures due to ALR**  
**May 25, 2016: Award year 2, payment 2**  
**July 25, 2016: Award year 2, payment 3**  
**October 25, 2016: Award year 2, payment 4 - \$47,301.75 sent October 26, 2016**  
**October 31, 2016: Progress Report - 3rd Year funding**

We ask that you send us electronic copies of your publications as they become available, you can send those via e-mail or upload to the awards management section of the proposalCENTRAL site.

If you have any questions about the award or any other research matter, please feel contact us.

Best Regards,

Brooke Johnson  
 LRA Research Administration
