

The LRA acknowledges with gratitude all the scientists and clinicians who have served as reviewers for the LRA during 2020-2021

Mridu Acharya, PhD
Principal Investigator, Seattle Children's
Hospital, and Assistant Professor,
University of Washington

Joseph M. Ahearn, MD
Chair, Autoimmunity Institute, Allegheny
Health Network

Andre Ballesteros-Tato, PhD
Associate Professor, The University of
Alabama at Birmingham

Jacques Banchereau, PhD
Chief Science Officer, Immunai

Betsy Barnes, PhD
Professor, Feinstein Institutes for Medical
Research

Tim Behrens, MD
Advisor, Maze Therapeutics

Susan Boackle, MD
Associate Professor, University of Colorado

Silvia Bolland, PhD
Chief, Autoimmunity and Functional
Genomics Section, National Institute of
Allergy and Infectious Diseases

Simone Caielli, PhD
Assistant Professor, Weill Cornell Medicine

Michael Cancro, PhD
Professor, University of Pennsylvania

Roberto Caricchio, MD, FACR
Chief, Section of Rheumatology and
Director, Temple Lupus Program, Temple
University

Paolo Casali, MD
UT Ashbel Smith Professor and
Distinguished Research Professor, The
University of Texas Health Science Center
at San Antonio

Karen Cerosaletti, PhD
Director, Center for Translational
Immunology, Benaroya Research Institute

Eliza Chakravarty, MD
Associate Member, Oklahoma Medical
Research Foundation

Andrew Chan, MD, PhD
Senior Vice President, Research Biology,
Genentech

Warner Chen, PhD
Associate Director, Immunology
Translational Sciences, Johnson & Johnson

Benjamin Chong, MD
Associate Professor, UT Southwestern
Medical Center

Marcus Clark, MD
Professor and Chief, Section of
Rheumatology, University of Chicago

Philip Cohen, MD
Professor, Temple University

Mary Collins, PhD
Scientific Advisory Board Member, Lupus
Research Alliance

Chris Cotsapas, PhD
Professor, Yale University

Carla Cuda, PhD
Research Assistant Professor,
Northwestern University

Jason Cyster, PhD
Professor, University of California, San Francisco

Jayne Danska, PhD
Senior Scientist, The Hospital for Sick Children, and Professor, University of Toronto

Emanuele de Rinaldis, PhD
Senior Director and Head of Precision Immunology, Sanofi

Betty Diamond, MD
Professor, Feinstein Institutes for Medical Research

Robert Eisenberg, MD
Emeritus Professor, University of Pennsylvania

Keith Elkon, MD
Professor, University of Washington

Katherine Fitzgerald, PhD
Professor, University of Massachusetts

Sheng Gao, PhD
Director, Immunology Translational Sciences, The Janssen Pharmaceutical Companies of Johnson & Johnson

Natalia Giltiay, PhD
Assistant Professor, University of Washington

Guy Gorochov, MD, PhD
Professor, Sorbonne Université

Roger Greenberg, MD, PhD
Professor, University of Pennsylvania

Bevra Hahn, MD
Emeritus Professor, University of California, Los Angeles

Paul Hoover, MD, PhD
Instructor, Harvard Medical School and Brigham and Women's Hospital

Anna Huttenlocher, MD
Professor, University of Wisconsin–Madison

David Isenberg, MD, FRCP, FAMS
Professor, University College London

Shaun Jackson, MB ChB, PhD
Attending Physician, Seattle Children's Hospital, and Associate Professor, University of Washington

J. Michelle Kahlenberg, MD, PhD
Associate Professor, University of Michigan

Vicki Kelley, PhD
Professor, Brigham and Women's Hospital and Harvard Medical School

Jin Hyang Kim, PhD
Associate Director, Bristol-Myers Squibb

Andrea Knight, MD, MSCE
Associate Scientist, The Hospital for Sick Children Research Institute, and Assistant Professor, University of Toronto

Jason Knight, MD, PhD
Associate Professor, University of Michigan

Dwight Kono, MD
Professor, Scripps Research

Gary Koretzky, MD, PhD
Professor, Weill Cornell Medicine

Michele Kosiewicz, PhD
Associate Professor, University of Louisville

Martin Kriegel, MD, PhD
Associate Professor Adjunct, Yale University

Vijay Kuchroo, DVM, PhD
Senior Scientist, Brigham and Women's Hospital, and Professor, Harvard Medical School

Vipin Kumar, PhD
Professor, University of California, San Diego

Joseph Larkin, III, PhD
Associate Professor, University of Florida

Terri Laufer, MD
Associate Professor, University of Pennsylvania

Theresa Lu, MD, PhD
Senior Scientist, HSS Research Institute, and Professor, Weill Cornell Medicine

Yi Luo, PhD
Clinical Biomarker Lead, Bristol-Myers Squibb

Fabienne Mackay, PhD, FAHMS
Director and CEO, QIMR Berghofer Medical Research Institute

Mark Mamula, PhD
Professor, Yale University

Keisa Mathis, PhD
Assistant Professor, UNT Health Science Center

Eric Meffre, PhD
Associate Professor, Yale University

Laurence Menard, PhD
Scientific Director, Bristol-Myers Squibb

Laurence Morel, PhD
Professor, University of Florida

Sumanta Mukherjee, PhD
Director, Clinical Biomarkers, GlaxoSmithKline

Randolph Noelle, PhD
Professor, Geisel School of Medicine at Dartmouth

Kerstin Nündel, PhD
Assistant Professor, University of Massachusetts

C. Denise Okafor, PhD
Assistant Professor, Penn State University

Nancy Olsen, MD
Professor, Penn State University

Alessandra Pernis, MD
Senior Scientist, Hospital for Special Surgery, and Professor, Weill Cornell Medicine

Janos Peti-Peterdi, MD, PhD
Professor, University of Southern California

David Pisetsky, MD, PhD
Professor, Duke University

Francisco Quintana, PhD
Scientist, Brigham and Women's Hospital, and Professor, Harvard Medical School

Marko Radic, PhD
Associate Professor, The University of Tennessee Health Science Center

Zia (Ziaur) Rahman, MD, PhD
Assistant Professor, Penn State University

Deepak Rao, MD, PhD
Associate Physician, Brigham and Women's Hospital, and Assistant Professor, Harvard Medical School

Jeffrey Rathmell, PhD
Professor, Vanderbilt University

Jillian Richmond, PhD
Assistant Professor, University of Massachusetts

Anthony Rongvaux, PhD
Assistant Member, Fred Hutchinson Cancer Research Center

Anna Rudin, MD, PhD
Professor, University of Gothenburg

Virginia Savova, PhD
Precision Immunology Head of Single-cell
Biology, Sanofi

Ansuman Satpathy, PhD
Assistant Professor, Stanford University

Susana Serrate-Sztein, MD
Associate Director for Strategic Initiatives,
National Institute of Arthritis and
Musculoskeletal and Skin Diseases

Earl Silverman, MD, FRCPC
Staff Rheumatologist, The Hospital for Sick
Children, and Professor Emeritus,
University of Toronto

Gregg Silverman, MD
Professor, NYU Langone Health

Sladjana Skopelja-Gardner, PhD
Assistant Professor, Geisel School of
Medicine at Dartmouth

Daniel Stetson, PhD
Professor, University of Washington

David Tarlinton, PhD
Professor, Monash University

Jeremy Tilstra, MD, PhD
Assistant Professor, University of Pittsburgh

Christopher Tipton, PhD
Assistant Professor, Emory University

Charles Via, MD
Professor, Uniformed Services University of
the Health Sciences

Alexandra-Chloe Villani, PhD
Assistant Investigator, Massachusetts
General Hospital, and Assistant Professor,
Harvard Medical School

Michael Waterfield, MD, PhD
Assistant Professor, University of California,
San Francisco

Arthur Weiss, MD, PhD
Professor, University of California, San
Francisco

Victoria Werth, MD
Professor, University of Pennsylvania

David Wofsy, MD
Professor, University of California, San
Francisco

Nan Yan, PhD
Professor, UT Southwestern Medical Center

Melody Zeng, PhD
Assistant Professor, Weill Cornell Medicine
